~~Extract from the~~ Representation of Sri C. Nanja rajiengar, Assistant Secretary to Government.

General Secretary's Orders thereon:

"It occurs to me that Mr. Nanjaraja Iyengar could be helped in either of two ways - by continuing the duty allowance which he was getting as Publicity Officer and for many years previously in the Dewan's Office, or by creating a post of Senior Assistant Secretary, like that of Senior Assistant Commissioner, on Rs.500-50-600 against his present post. The latter proposal, which is more preferable, involves a small extra cost but it will help to improve the position of a senior officer who has put in long service and has a few more years before superannuation, and has done very well in various responsible posts. It will also help him to get a little higher pension at the end of a long and approved service of 38 years."

Representation of Sri C. Nanjarajiengar, Asst. Secy. to Govt

File No. of 194 .

Serial No.

Sri Nanjarajiengar requesting that his claims be considered for re-appointment as Publicity Officer to Govt. in the vacancy caused by the demise of Sri Rajaratnam has been put up to the Chief Minister with C. B. Diary No. 4217 on 1. 2. 49.

(Sd) 3. 2. 49.

6) Sri C. Nanjarajaiengar, Asst Secy to Govt does has not made any specific request in his representation and but only says that Govt may be pleased to extend him their generous consideration and encourage him in such manner as they deem suitable.

7) The Asst. Secy to Govt while forwarding the representation of Sri Nanjarajaiengar, has suggested that one of the following concessions may be shown to him:-

(1) Continuance of the duty allowance which he was getting as Publicity officer for many years previously in Dewan's office;

(2) Creation of the post of Sr. Asst Secy on Rs 500-50-600 and appointment of Sri Nanjarajaiengar against this appointment

8) The first suggestion has been considered on more than one occasion and turned down. No special reasons are now advanced for a reconsideration of the previous decision except that he has suffered financially and that he has only three years of service before him to attain the age of superannuation. In the above circumstances this has perhaps to be turned down now also.

9) Re: (2)

Sri Nanjarajaiengar was drawing pay of Rs 410/- in the grade of Rs 250-40½-450 from 30.1.47. In the revision of the Scale of pay of Govt servalaires to Govt, his pay has been fixed at Rs 475 + P.A. 5 from 1.10.48. ~~He becomes~~ in the grade of Rs 300-25-500. ~~He becomes superannuated on 13.1.1952~~ He will get a pay of Rs 500/- on 1.10.49. He becomes superannuated on 13.1.52. He will, however, not draw a pay of Rs 500/- for full 3 years. He has not even reached the maximum pay of the present ~~post~~ and there does not appear to be stagnation in his

case. The duty allowance which he was getting as Publicity officer was for attending to certain specified duties. He has to forgo it on his transfer to another appointment as the duty allowance cannot be carried from one appointment to another. In view of the above the suggestion to appoint him as Sr. Asst Secy on Rs 500-50-600 cannot perhaps be accepted.

11) I agree. The very suggestion of the appointment of anyone as Senior Asst Secy would entail the possible creation of a new grade and would perhaps result in appreciable extra cost and is not in consonance with our present financial position. It appears also to be unnecessary.

Respectfully submitted.

1) I beg to submit the following representation for the kind and sympathetic consideration of Government.

2) I have now put in 35 years of service, during 17 of which I worked in the Dewan's Office. From 1926 to 1941 I worked under Amin-ul-Mulk Sir Mirza M. Ismail, then Dewan, and from 1941 to 1943 under Pradhanasiromani Sri N. Madhava Rau. I also worked as Personal Assistant to two Members of Council.

3) From 1943 to 1946 I worked as Publicity Officer to Government and endeavoured to discharge my duties to the satisfaction of my official superiors. The Information Bulletin was regularly published. I put forth special efforts in connection with the publicity of the war effort of the State. Apart from contributing articles to the press on Mysore's contribution to the War, and generally on subjects connected with the various schemes of development, I brought out a book, "War effort in Mysore", in connection with the Viceregal Visit in February 1945 which was generally well received. The work of the General Publicity and Commercial Publicity Sections was attended to promptly. My work in connection with press advising during the period of war was also favourably noticed. Mr. R. Venkataramaiah, then Chief Press Adviser, and now Judge of the High Court of Mysore, was pleased to express the following opinion about my work: "Mr.C.Nanjarajaengar has been very helpful to me as Chief Press Adviser. It may be noticed that the work done by him is novel in kind and useful in effect". The Press Advisory Committee was also good enough to place on record its appreciation of my work.

4 I was posted as Assistant Secretary to Government, Agriculture and Forest Branch, in May 1946. This Branch deals with the work of the departments of Forest, Agriculture, Veterinary, Co-operation, Marketing, Gardens and Hill Stations. The work is normally heavy; as a result of the implementing of a number of post-war development schemes of these departments, it has grown considerably.

5 While I was working in the Dewan's Office I was getting a Duty Allowance of Rs 25/-. On my transfer as Publicity Officer, this allowance, which I had ~~been~~ drawn for many years, was continued and subsequently enhanced to Rs 50/-. My transfer from this post affected me financially in two ways: it deprived me not only of the Duty Allowance of Rs 50/- but also of the revised grade (Rs 600-25-850) which was subsequently sanctioned for the post and given to Sri G.V. Rajaratnam. He was Assistant Publicity Officer working under me. I would have probably got this new grade had I continued as Publicity Officer.

6 In August 1946 I submitted a representation praying that the Duty Allowance, which I had been getting as Publicity Officer, may, as in other similar cases, be converted into a personal allowance or continued as such in my new post as Assistant Secretary to Government, and the then Dewan, Ramaswamy Sri N. Madhava Rau, was pleased to pass favourable orders which, however, could not be given effect to.

7 Recently, in connection with the revision of the scales of pay of the Assistant Secretaries to Government and other subordinate Gazetted Officers, my pay has been fixed at Rs 480 (Rs 475 plus Personal Allowance Rs 5/-) in the new grade of Rs 500-25-800, with effect from 1st October 1948. I am given an increment of only Rs 20/- (half the biennial increment in the old grade) for a service of one year and eight months, while, in the normal course, I should have got

got Rs 40/- three months hence, i.e., in January 1949. I have now to put in one more year's srvice to get Rs 20/- to reach the maximum of the grade, viz., Rs 500/-, with no further advancement to look forward to, though I have still three years and more before retirement.

8 I have thus suffered financially during the past two years, almost since my transfer from the post of Publicity Officer in May 1946. When I retire three years hence I will have rendered a total service of 38 years. I am the senior among the Assistant Secretaries to Government (Non-Civil Service). For 17 years I had the privilege of working on the Personal Staff of the Dewan and I wish to submit that I did not spare myself in the discharge of my important and heavy duties in the Dewan's Office, as will be seen from the following generous appreciation of my work by the then Dewan: "Mr. C. Nanjarajiengar has worked directly under me for 15 years. During all this time I have found him a most capable, trustworthy, hardworking and useful officer. He has done his work with extraordinary zeal and ability".

9 In the circumstances mentioned above, and specially in consideration of my long and loyal service and of the financial loss I have had to suffer recently, I humbly request that the benign Government may be pleased to extend me their generous consideration and encourage me in such manner as they may deem suitable.

3rd Dec. 1948. C. Nanjarajiengar
